

# Giuliano Nicolás Bellocchio

Tandil, Buenos Aires, Argentina

**Email:** giulianonicolasbellocchio@gmail.com | **GitHub:** [github.com/LianBellocchio](https://github.com/LianBellocchio)

## Education

National University of Central Buenos Aires Province (UNICEN) **Technical Degree in IT Application Development** | 2024 - Present

- Developing strong communication and teaching skills through collaboration and tutoring.
- Experience in structuring educational content and adapting teaching methodologies.

Técnica N2 "Ing. Felipe Senillosa" **Technical Degree in Programming** | 2016 - 2022

- Final Project: Led the development of the school's official website, implementing responsive designs and backend integrations.

---

## Technical Skills

- **Programming Languages:** Python, Java, Go, SQL, JavaScript
- **Frontend Development:** React, CSS, HTML
- **Backend Development:** NodeJS, PHP, Flask, Django, TypeScript
- **Database Management Systems:** MySQL, PostgreSQL, MongoDB
- **Version Control:** Git CLI, GitHub client
- **Cloud & DevOps Tools:** Docker, Kubernetes, AWS

---

## Experience

Backend Developer | XPlicit Agency | Remote | Apr 2023 – Jan 2025

- Designed and implemented scalable APIs and backend services using Python and PHP.
- Managed GitHub repositories, performed code reviews, and trained a cross-functional team

Founder | Las Burgas Tandil Tandil, Buenos Aires | Nov 2022 – Aug 2024

- Built and managed an online ordering platform, integrating a scalable backend architecture.
- Optimized SQL queries to enhance database performance for high-traffic environments.

---

## Projects

- **Real-Time Statistics Website:** Developed a Counter-Strike statistics platform using Vue.js, Python, and MongoDB during a Full-stack Python course.
- **School Website Development:** Led the team project to create a functional, user-friendly website for Técnica N2, focusing on backend functionality and responsive design.

---

## Certifications

- **Full-stack Python Development** | Codo a Codo | 2023
- **Fundamentals of Digital Marketing** | Google | 2023

---

## Languages

- **Spanish:** Native
- **English:** C1

---

## Achievements

- **Cross-Functional Collaboration:** Worked with multidisciplinary teams to develop and deploy scalable solutions for diverse needs.
- **Project Leadership:** Successfully managed multi-phase software projects, ensuring timely delivery and functionality.
